\*Local authorities have been marked N/A when they have: not responded to our requests for information, responded with information in the wrong format, not been able to supply us with the information, or refused to supply us with the information. Hackney Council initially responded to our FOI request asking how much credit it held in closed/dormant accounts by saying it had £7,473,897 in credit, but has now clarified that a proportion of this is in live accounts. The total in closed/dormant accounts is £5,536,132.

All figures were obtained by Freedom of Information requests, sent in January 2019. The numbers are rounded to the nearest whole figure. We have tried our best to give the official and correct name for each local authority, but these do change regularly. We apologise for any mistakes.
